Five Tips for churches

01

Review your signage

Are your services /events times clear? Are the entrances visible and accessible? Do posters/displays speak of inclusion and love?

Remember to remove any information that is incorrect or out of date

Welcome and Follow ups

If you can, have friendly greeters outside to help people as they arrive, and remember to give clear instructions throughout the service.

If possible, ask for contact details so that you can invite them to future events.

02

Go to Neutral Spaces *

03

Have a Christmas quiz or go Carol singing in a local pub/coffee shop. Can you give out mince pies at your local school gate, or offer a gift wrapping service on your high street.
